COOKIES AND TRACKING TECHNOLOGIES POLICY

One Travel Team, LLC, together with its marketing, analytics and technology partners, uses certain monitoring and tracking technologies (such as cookies, beacons, pixels, tags and scripts). These technologies are used in order to maintain, provide and improve our Services on an ongoing basis, and in order to provide our Users and their Users-of-Users with a better experience. For example, thanks to these technologies, we are able to maintain and keep track of our Users preferences and authenticated sessions, to better secure our Services, to identify technical issues, user trends and effectiveness of campaigns, and to monitor and improve the overall performance of our Services.

Please note that Third Party Services placing cookies or utilizing other tracking technologies through our Services may have their own policies regarding how they collect and store information. Such practices are not covered by our Privacy Policy and we do not have any control over them.

Cookies: In order for some of these technologies to work properly, a small data file ("cookie") must be downloaded and stored on your device. By default, we use several persistent cookies for purposes of session and user authentication, security, keeping the User's preferences (e.g., regarding default language and settings), connection stability (e.g., for uploading media, using e-Commerce features, etc.), monitoring performance of our services and marketing campaigns, and generally providing and improving our Services.

If you want to delete or block any cookies, please refer to the help and support area on your internet browser for instructions on how to locate the file or directory that stores cookies. Information on deleting or controlling cookies is also available at www.aboutcookie.org (note that this website is not provided by One Travel Team, LLC, and we therefore cannot ensure its accuracy, completeness or availability). Please note that deleting our cookies or disabling future cookies or tracking technologies may prevent you from accessing certain areas or features of our Services, or may otherwise adversely affect your user experience.

Clear Gifs: We and certain Third Party Services may employ a software technology called clear gifs (a.k.a. Web Beacons/Web Bugs), which enables them and us to improve our Services by measuring their effectiveness and performance. Clear gifs are tiny graphics with a unique identifier, similar in function to cookies, however unlike cookies these are not stored on your device, but are instead embedded within our Services.

Flash and HTML5: We and certain Third Party Services may also employ certain tracking technologies known as "Flash cookies" and "HTML5", mainly for advertising purposes. Various browsers may offer

their own management tools for removing or blocking such technologies. Additional information about managing Flash cookies is available here.

(note that this website is not provided by One Travel Team, LLC, and we therefore cannot ensure its accuracy, completeness or availability).

Behavioral Targeting/Re-Targeting: Certain third party ad networks may display advertising on our Website or manage our advertising on other websites. Such parties may use certain tracking technologies to collect Non-personal Information about your activities on the Services and different third party websites to provide you with targeted advertising based on your interests and preferences. You may opt-out of receiving targeted ads from certain ad networks by clicking here (or if located in the European Union click here). Please note this does not opt you out of receiving any advertising.

"Do Not Track" Signals: Please note that we do not change our practices in response to a "Do Not Track" signal in the HTTP header from a browser or mobile application.
